Originally built as a venue for up-and-coming filmmakers to show their work, the Sundance Resort's Screening Room is a state-of-the-art theater with graduated seating for 144 people. Home of the Sundance Resort's Redford Film Series, the theater also serves as a venue for the Sundance Film Festival every January. The lobby features sliding barn-style glass doors that open onto a beautiful side lawn and accommodates groups up to 60 people for sit-down meals.
